Thank you for interest in the Humane Society of Northwest Montana's volunteer program. Due to safety reasons, the volunteer program is designed for ages 18 and older and Adoption Center volunteers must attend Volunteer Orientation and be physically fit for the job they sign up for. Additional training will be required of volunteers who wish to work hands-on with the animals and will be made available on an asneeded basis. Volunteers are viewed as representatives of the Humane Society and will be placed appropriately based on needs of the Adoption Center and the skills of the individual. For more information, please email <a href="wolunteers@humanesocietypets.com">wolunteers@humanesocietypets.com</a> or call 406-752-7297(PAWS). Applications can be delivered in person, emailed or faxed to 406-755-7388.
