Boiler Blues Fundraiser

Our pipes burst over the below zero temperatures in the valley causing us to evacuate the animals into foster care. We have been unable to take in any strays, abandoned or rescued animals that desperately count on us. We are reaching out to the community for donations through our fundraiser to help mitigate the cost.

Thank you for your donations so we can continue serving the Flathead Valley and our mission.

Your Generous Support Does Make a Difference

♥ HENRY

Henry was surrendered by his owner when he was 7 months old. He came to us severely matted and in need of basic medical care. We were able to get him groomed and a clean bill of health. Now look at him in his forever home. This outcome is because of you and your support. Henry says, "Thank you!"

♥ ALFREDO

Alfredo came in as a stray in very bad condition. He is completely deaf and mostly blind and was found wandering, very hungry and in desperate need of a groom. He was groomed and gained some weight before he could be adopted.

Alfredo is a very active dog and would become increasingly frustrated in his kennel and constantly pace. Finally, a lovely couple came, saw his potential, and adopted him. He is now doing great in his new home, loves to be outdoors and quickly became a perfect running buddy. Alfredo is another example of how your support helps homeless pets find their forever home.

Whitefish Community Foundation 2023 Great Fish Community Challenge

Thank you to the donors, nonprofit organizations, volunteers, and sponsors for working together to make this year's Great Fish Community Challenge the most successful yet! Together we raised \$6,262,929 for 77 Flathead Valley nonprofits, a 23% increase over 2022. This amount includes the Great Fish Match, a record-setting 62% on the first \$20,000 raised by each organization.

Is it Time to Renew Your License Plate?

Did you know that as of June 2023, over 640 Montana drivers have chosen to support homeless pets at the Charlotte Edkins Animal Adoption Center by purchasing a Humane Society of Northwest Montana specialty license plate? When it's time to renew your license plate registration, please save a homeless pet by selecting the Humane Society of Northwest Montana license plate. For each plate registered, the Humane Society receives a \$20 donation.

Now Offering Low-Cost Vaccine Clinics

We are excited to share that we are adding a new service to our community. We are hosting four (quarterly) Low-Cost Vaccine Clinics in 2024. This is an important part of our overall mission to help keep pets in their homes and out of shelters. Data has shown that the lack of access and financial options for basic wellness care, such as core vaccines, is in the top 5 reasons why animals are surrendered to their local shelters.

Are pets close to your heart?

Our Legacy of Care program ensures a home for your pets when you can no longer care for them. We will provide a safe and loving place for them until they find their last forever home. For peace of mind, it's easy to make a legacy gift. Contact Stacie DaBolt at 406-752-7297 or email stacie@humanesocietypets.com to request a Legacy of Care brochure.

You Saved My Life!

Newest Members of the Tri-Pod Club

Pi and King both arrived at our shelter with severe injuries to their left front leg. To save their lives, they both needed an amputation. They have fully recovered and are now in their forever homes.

Without you, who knows what would have happened to them? Thank you for being there for them when they needed you the most. You truly saved their lives.

Kalispell Auto Group

We want to say "Thank you" to Kalispell Auto Group for their generous donation of \$1,000! We are so grateful for the support of our business community in helping our mission of saving homeless animals!

Accolades!

Bow-Wows & Purrs!

Many Flathead Valley businesses and professionals are active supporters of the Humane Society. Like you, they care about the plight of homeless animals in our community. Please support and give a special thank you to all of our business supporters, including:
